My Story

- How I went from a being low paid school teacher to doubling my income and building one of the fastest growing companies in my region.

This call is for you if...

- You're tired of small fry orders (and small profits) and you want to get big company accounts and repeat business.
- You want to have a business and time to enjoy your life.
- You've thought about getting WBE (Women Business Enterprise Certified) but you're just not sure if you qualify, or if it's worth your time.
- You want to sell more without being pushy, or using old school manipulative techniques.

Here's What We're Going To Cover:

- The big shift that's happening in sales today and why women have the advantage.
- The #1 way to get more done and make more money.
- How to get your foot in the door of the big companies.
- How to leverage WBE and MBE certification and create advocates for your business.
- How to stay motivated and positive.

Good News

- There are easy steps you can take today to sell smarter increase your business.
- The economy is easing. Many think the recession is ending.
- The steps I'm going to share with you and the information in the *Women Selling Smarter* Program will help you get the sales now and do even better when things start to pick up.

Secret # 1

Women Have The Advantage

Women Are Great Communicators

- Good communication is key to successful selling relationships

Women's Work Style is Valued

- Work style of collaboration and cooperation, not competition is what's working.
- Companies with women at the helm are doing especially well.
- Work, life balance is possible.
- Results are what count, not hours in the office.

More Marketing Campaigns Are Geared To Women Buyers

- Women are the largest purchasers of consumer goods. Marketing campaigns are actively reaching out to them.

Women Control More Buying Decisions

- Estimated 70% of the buyers of promotional products are women.

Diversity Programs Seek Women

- Women Business Enterprise
- Minority Business Enterprise
- Corporations
- Government

Women Are More Detailed Oriented

- We tend to have an easier time writing orders and paying attention to the little things that make our clients happy.

What's The Next Step

- These advantages help, but they won't get you the sale.
- You need to be prepared.
- Understand your customers business challenges provide value beyond the products you sell.

Secret # 2 Focus Your Time

- Best question: what will help me make the most money today?
- Spend time doing a few things well.
- Use a weekly action plan or calendar.
- Plan the next day the night before.
- Plan the week on Sunday.
- Stop multi-tasking.

Secret # 3 Big Companies Want To Do Business With You

- Strong value proposition that cuts through the clutter.
- Companies buy results
- Document success stories of how you helped companies:
 - Increase
 - Decrease
 - Get more sales etc.

Leverage WBE, MBE

- Companies have entire diversity departments set up to look for WBE and MBE Certified Companies.
- Not just for government contracts.
- Not all orders are out for bid.
- Marketing tool, not guarantee of order.
- Partner with WBE and MBE companies.

Secret # 4 Don't Go It Alone

- Look for complimentary businesses you can partner with.
- Network with other successful women.
- Your customers want to help you.
- Model other successful women. Don't reinvent the wheel.

Secret # 5 Success Is An Attitude

- Act as if you couldn't fail.
- Enjoy every call.
- Surround yourself with positive people and motivating materials.
- Never stop learning. Invest in yourself.
- You deserve it. You can have a great business and a great life.
